

# South Brunswick Reads Bookmark Contest

Would you like to get your artwork professionally produced and marketed to thousands?

## Enter the SB Reads bookmark contest!

To celebrate this year's theme, we are launching a bookmark making contest at each of our district schools. One winner will be selected at the elementary, middle, and high school levels. If you would like to participate, please create artwork around the following theme.

*Last year we challenged our readers to break down walls and expand their reading to include characters who look or live differently and to explore books on new topics in a variety of formats. To further our growth as readers and to support our district theme of equity, this year we will read more globally. The 2019 SB Reads theme is **South Brunswick Reads Around the Globe**. Together we will:*

- *explore characters or cultures beyond or within our borders;*
- *expand our world view by better understanding the experiences, thoughts, and beliefs of others; and*
- *enrich our compassion and kindness for all people.*

Artwork to be considered should adhere to the following:

- Visual representation only (SB Reads Around the Globe 2019 will be added to the winning bookmarks)
- Use an 8 ½ by 11 piece of white paper
- No pencil drawings
- All images should be brightly colored

Entries may be turned in at the Crossroads South Library.  
**All entries must be received by Friday, January 4th.**
